

TOM mabe

Everyone from Paul Harvey to *The New York Times* has proclaimed Comedian Tom Mabe a **"comic superhero"** for tackling pesky telemarketers, junk email, bad customer service and other topics that irk us all.

By making audiences across America laugh for over 15 years about the annoyances of modern life, Tom proves that it pays to think creatively. When it comes to thinking outside the box, he's nowhere near the box. He can help your team ignite a creative spark, too.
